

St Peter's Ladies event on Friday 7th May from 8-9pm

Chocolate Promises?

'As useful as a chocolate teapot!' Chocolate has its uses, but they are limited. We all know how quickly it can disappear and when things hot up, it melts.

The promises we have from God are not engraved on chocolate, they are set in stone in His Word.

Hayley Watts will talk us through some of the lasting and effective promises from God.

There will also be a short fun quiz about cocoa, so why not have your favourite chocolate bar to hand?

Book via the St Peter's website events page. www.stpeterstw.com
